

1- Admin Flow

The screenshot shows the GoCart website homepage. At the top, there is a purple banner with the text "Get 20% OFF on Your First Order!" and a "Claim Offer" button. Below the banner, the navigation bar includes links for Home, Shop, Seller, and Admin. The Admin link is underlined, indicating it is active. A search bar with the placeholder "Search products" is also present. On the left side of the page, there is a large green promotional box with the text "Gadgets you'll love. Prices you'll trust." and a "LEARN MORE" button. To the right, there are two promotional boxes: one for "Best products" featuring AirPods and another for "20% discounts" featuring a smartwatch. Below these boxes, there are several product category filters: Earbuds, Watch, Earbuds, Mouse, Decoration, Headphones, Speakers, Watch, Earbuds, Mouse, Decoration, Headphones.

* If you click Login Button

The screenshot shows the same GoCart website as above, but with a "Sign in to GoCart" dialog box overlaid on the page. The dialog includes fields for "Continue with Google" and "Email address", a "Continue >" button, and links for "Don't have an account? Sign up" and "Development mode". The background of the website is dimmed to indicate the overlay.

* If you click Admin Button

The screenshot shows the GoCart website with an "Admin" overlay dialog box. This dialog is identical to the login dialog shown in the previous screenshot, featuring the same "Sign in to GoCart" heading, "Welcome back! Please sign in to continue" message, and the same set of input fields and buttons. The background of the website is again dimmed.

*After admin is logged in from login button

The screenshot shows the GoCart website homepage. At the top, there's a purple banner with the text "Get 20% OFF on Your First Order!" and a "Claim Offer" button. Below the banner, the header includes links for Home, Shop, Seller, Admin (which is underlined to indicate it's the active page), Search products, Cart, and Account. A navigation bar below the header lists categories like Earbuds, Mouse, Decoration, Headphones, Speakers, Watch, Earbuds, Mouse, Decoration, Headphones, Speakers, and Watch. The main content area features a large green banner with the text "Gadgets you'll love. Prices you'll trust." and "Starts from \$4.90". It also features a "LEARN MORE" button and a woman wearing headphones. To the right, there are two promotional boxes: one for "Best products" showing a pair of AirPods Pro, and another for "20% discounts" showing a smartwatch.

* After Admin is logged in from Admin Button on the toolbar

The screenshot shows the GoCart Admin Dashboard. On the left, a sidebar menu lists "Osama Elshimy" (with a user icon), "Dashboard" (which is selected and highlighted in blue), "Stores", "Approve Store", and "Coupons". The main content area is titled "Admin Dashboard" and displays four key metrics: "Total Products" (12), "Total Revenue" (\$377017.00), "Total Orders" (930), and "Total Stores" (3). Below these metrics is a line chart titled "Orders / Day" showing the number of orders over time from August 22 to November 10, 2025. The chart shows several peaks, notably around August 22, September 10, and October 31.

Admin remaining Pages

The screenshot shows the "Admin Stores" page. The sidebar on the left remains the same as the dashboard. The main content area lists two stores: "GreatStack" and "Happy Shop", both of which are marked as "approved". Each store card includes a profile picture, the store name, an "approved" badge, a brief description, address, phone number, email, and a timestamp indicating it was applied on 22/08/2025 by "Great Stack". The "Happy Shop" card also shows its status as "Active" with a toggle switch.

2-Seller Flow

* If a seller logined he should see seller text on toolbar and not became a seller text as below and should not see Admin text in the toolbar

The screenshot shows the GoCart website homepage. At the top, there is a purple banner with the text "Get 20% OFF on Your First Order!" and a "Claim Offer" button. Below the banner, the navigation bar includes links for Home, Shop, Seller (underlined in green), and Admin. A search bar with the placeholder "Search products" is also present. On the left side, there is a large promotional image featuring a woman wearing headphones and the text "Gadgets you'll love. Prices you'll trust." with a "Starts from \$4.90" offer and a "LEARN MORE" button. To the right, there are two promotional boxes: one for "Best products" showing an image of AirPods, and another for "20% discounts" showing an image of a smartwatch.

* If you click seller Button on the toolbar , seller is re routed to store page

The screenshot shows the GoCart Seller Dashboard. The top navigation bar includes links for Home, Shop, Seller (underlined in green), and Admin. A user profile "Hi, Osama" is visible on the right. The main dashboard area features a "Seller Dashboard" section with four key metrics: Total Products (7), Total Earnings (\$25499), Total Orders (145), and Total Ratings (13). Below this, there are two review snippets and product cards. The first review is from "Great Stack" dated "Fri Aug 22 2025", stating: "I was a bit skeptical at first, but this product turned out to be even better than I imagined. The quality feels premium, it's easy to use, and it delivers exactly what was promised. I've already recommended it to friends and will definitely purchase again in the future." This review is associated with an "Electronics" product card for a "Bluetooth Speaker" with a 5-star rating and a "View Product" button. The second review is from "Great Stack" dated "Fri Aug 22 2025", stating: "Overall, I'm very happy with this purchase. It works as described and feels durable. The only reason I didn't give it five stars is because of a small issue (such as setup taking a bit longer than expected, or packaging being slightly damaged). Still, highly recommend it for anyone looking for a reliable option." This review is associated with an "Others" product card for a "Security Camera" with a 4.5-star rating and a "View Product" button.
